MINNEWASCAN

"As through the years
our life unravels—
we each may venture
on separate travels."

DEDICATION

Having moved into the new addition of G.H.S. in January of this year, we, as seniors, can truly appreciate what our citizens have done for our community. We know that through the interest they have shown, they, too, are proud of their investment which has been a real addition to Gladstone.

A town reflects its values through its educational system. Our citizens show their faith in the town's future and the coming generations by providing the facilities so important to good teachers and interested students. We thank you for your faith, your interest, and your sacrifices in opening these doors of opportunity to us.

CLASS HISTORY

FRESHMEN: We entered Gladstone High School in 1960 as the inexperienced freshmen. Chosen as class officers were Peter Blair, President; Elmer McKnight, Vice President; Susan Eagle, Secretary; and Bill Druding, Treasurer. Nancy Snouwaert was our candidate on the Homecoming Court.

SOPHOMORES: Although we felt much older during our sophomore year, we were still looked upon as "underclassmen." Our officers this year were President, Tom Watson; Tom Domres, Vice President; Secretary, Susan Eagle and Treasurer, Pam Artley. Pamela Artley was our representative on the Homecoming Court.

JUNIORS: As juniors we finally joined the ranks of "Upperclassmen." This was a very exciting year; we got our class rings, most of us had our drivers licenses and we gave the Junior-Senior Prom. The prom theme was "Fantasy of the Deep," and the chairman was Tom Domres. Lauren Bergman was this year's Homecoming candidate. Officers for this year were President, Tom Domres; Vice President, James Berg; Secretary, Carol Hoverman; Treasurer, David Ingebrigtsen.

SENIORS: We all too soon became the "experienced" seniors. Work was begun on our annual, play, and Senior Ball, "Wonderland by Night" under the co-chairmanship of Judy Martin and James Wedell. Barbara Ackerman was chosen Homecoming Queen with Diane Peterson and Marilyn Peltonen as senior attendants. During this year we had the opportunity of spending a semester in the new school, which was quite a change from the old one. As the year ended we felt both joy and sorrow that our high school years were at an end.

NATIONAL HONOR SOCIETY

ROW 1: Joanne Sepic, Marilyn Peltonen, Lauren Bergman. ROW 2: Dan Schram, Tom Watson, Mr. Grenfell.

Gladstone High School is a chartered member of the National Honor Society, which is a nation-wide organization. Each spring, sophomores, juniors, and seniors are eligible to be tapped. The students in N.H.S. are chosen by the faculty, who feel that these students set examples for the rest of the student body in character, scholarship, leadership, and service. Sophomores are probationary members and all members must maintain a "B" average and may not receive more than one "C" per semester in order to remain a member.

The Future Teacher's Club, sponsored by the Gladstone M.E.A. chapter, has for the fourth year participated in the state-wide program whereby each interested student is given the chance to teach six or more hours in the grade or area of his choice under the supervision of the classroom teachers.

The students who took advantage of this program help both themselves, for they were given a chance to decide whether they liked the teaching field, and the programs, for they help in the recruiting of more new teachers. The students were also guests at a tea where they met the teachers they would be working with.

OFFICERS: Mark Mortier, Carol Charles, Iris Bonno.

DEBATE

ROW 1: J. Wedell, J. Maniaci, S. Phillips, C. Apelgren. ROW 2: Mr. Boman, M. Phillips, B. Kelly, D. Bergman, S. Cowen, A. Bjorklund, P. Albrecht, D. Pfotenhauer.

This year's debate season got off to an action start under the leadership of our new coach, James Boman. Regular debate meets were held in Negaunee and Escanaba. They won two thirds of their debates at these meets.

This year the debate team was one of two Upper Peninsula teams to be invited to meetings of top teams at Central Michigan University. Besides participating in eight debates they enjoyed using college facilities and attending a "mixer". On this trip Mr. Boman acquired his dog named "Bunky" (though other names - - Rebutte, Refute, Resolved - - were suggested).

The varsity debaters James Wedell, Susan Phillips, Alden Bjorklund and Steve Cowen finished off the debate season by spending two days at Marquette in February for the debate finals.

FORENSICS

Our coach for forensics was Mr. James Boman, who took over the place of Miss Dunsmore, our former coach. Both of these teachers have done a very good job with forensics. Also other faculty members of the English department gave of their time and ability, for which we are very grateful.

The local forensics meet came on March 6 of this year. From the 26 students who participated, 10 received superior ratings and went on to the District meet held at Rapid River.

We certainly hope that many more students will participate next year and give Gladstone High School a name everyone will remember.

The Gladstone High School Chorus spent a singing year. The Chorus made a recording for broadcast over WLST radio. Preceding the Holidays the Chorus presented a Christmas Concert. The highlight of the program was the Buxtehude's Contata, the "New Born Infant," accompanied by a woodwind quartet and piano. Toward the spring, the Chorus kept its busy schedule by presenting a concert. They also attended the Chorus Festival in Escanaba. To end up a busy year the Seniors sang at Baccalaureate.

ATHLETICS

IN MEMORIAM

John F. Kennedy, 1917 - 1963

THE PRESIDENT WHO LOVED SPORTS

He was not the only President to throw out the first ball of the baseball season, or the only one to attend faithfully the Army-Navy game. But John Fitzgerald Kennedy was one of the few Presidents to participate in such events—and countless others—but of a consuming, lifelong dedication to sports and fitness. It is an interest that cannot be faked, as certain political figures have learned the hard way. Indeed, it was often difficult to keep President Kennedy away from the playing fields, either as spectator or participant.

The President read the sports pages with the assiduousness with which he read the international news, and if he felt he could lend his prestige to a good sporting cause he interrupted his daily routine to take action. When the National Association of Basketball Coaches moved to weed out undesirable elements, the President sent a letter of congratulation. When Amos Alonzo Stagg turned 100, he found in his mail a note from the White House conveying best wishes.

But a true appreciation of the role of sports involves more than buddying around with athletic heroes, or sitting goggle-eyed in the stands while one's favorite scatback springs into the end zone. If there was one thing that sickened Jack Kennedy, it was the flabby American parked in front of the television set in the middle of a noble spring day. He referred to this contemptuously as "spectating." And over and over again he warned that a nation that spends all its time spectating must fail.

For his own part, Jack Kennedy never had need for the tedium of calisthenics. His personal physician, Dr. Janet G. Travell, wrote in this magazine in 1961: "President Kennedy is a walking—or rather, running—testament to principle that people who are active in sports during youth, and continue their activity as adults, are likely to remain vigorous as they grow older." His exploits as a PT boat skipper in the South Pacific are celebrated—it was his own physical fitness that saved his life and that of others.

A warm, happy approach to the gibes and banter of sport characterized all the Kennedys, and none more than the President. He laughed out loud at an essay entitled Rules for Visiting the Kennedys, written by a close friend. Be prepared to play touch football, the writer warned. "The only way I know of to get out of playing is not to come at all, or to come with a broken leg." Good-natured ragging, so much a part of sport, appealed to the President, even though he was, in his lofty position, the most frequent butt of remarks. No one laughed louder than Jack Kennedy when, on the morning after his election, he took an ignominous pratfall in one of the Kennedys' incessant touch football games. "There he is, the next President," cracked brother Robert. "All guts and no brains." And when he gave up skiing just after taking office, Mr. Kennedy made one of those offhand remarks that bring laughter at the time and sad remembrance later. "My own progression," he said, "is hazardous enough."

VARSITY FOOTBALL

The team had eleven returning lettermen to begin the season. Coach Don Pfotenhauer had a big rebuilding job to do with the loss of many star players from last year's team. The Braves opened the season against Norway. At the end of the game the score was 16-14 with the victory coming to the Braves with a last second field goal.

Next the Braves traveled to Newberry where we defeated them quite handily by a score of 53-27.

Soo then came to Gladstone, and after a few quarters things looked good for the Braves. Unfortunately Soo overpowered us in the last quarter and the Braves fell to a 19-13 defeat.

Marquette was our next opponent. The Braves played a fine game at the Redmen Homecoming. We out-played them but could only manage a tie of 13-13.

Our next foe was Munising in another homecoming affair. We didn't look worth a darn and were defeated by the score of 22-20.

We then entertained Manistique, our friends from the north. Ironically we beat them by a 21 point margin with the final score being 34-13.

Our Homecoming was both colorful and happy, for we defeated a very good Stephenson team by a 21 point margin with the final score being 34-13.

Gwinn was the final game for our seven Seniors. G.H.S. students were happy to say we won 28-6.

Altogether the team's season was a successful one with a final record of five wins, two losses, and one tie.
